## Orgran Itsy Bitsy Bears

Orgran Itsy Bitsy Bears are irresistibly delicious oven baked biscuits made from all natural gluten free ingredients. As well as being a favourite for kids, the biscuits are naturally rich in complex carbohydrates. They also have the added benefit of psyllium for extra dietary fibre and calcium carbonate as a source of beneficial non dairy calcium.

Children's food plays an important part in their development but it is also the key to their general well being in later years. For many children it is especially important that food is pure from specific allergens and safe enough to share with their friends.

This product is produced without the addition of dairy, eggs, nuts or animal fats and utilises specially selected ingredients to provide the most exquisite baked gluten free biscuits.

Handy closable lid.
