Orgran Corn Crispy Crumbs

Orgran Corn Crispy Crumbs is a quality product that will allow you to achieve crispy golden crumbing of meat, fish or vegetables.

Corn Crispy Crumbs provides sensational texture with the additional benefit of 25% less absorption of oil than regular bread crumbs.

It is also versatile in sausages, added to sausage meats or as a stuffing base to which you may add your own herbs. This product is made from sun ripened golden corn, complementing and enhancing most foods perfectly.

Also ideal in savoury or sweet recipes such as crumb bases or as a natural thickener in soups and casseroles.
