Orgran Multigrain O's with Quinoa

Breakfast foods should be high in whole grains and dietary fibre and low in simple sugars to assist us with energy for the busy schedules of the day.

Orgran nutritionists have ensured that all these important dietary principles have been achieved and also have been surpassed to provide you with the optimum in wholesome breakfast foods.

ORGRAN Multigrain O's with Quinoa is nutritious natural breakfast 'super-food' made from 80% whole grains, including Quinoa and 15% protein rich legume for sustained fullness. This product is naturally gluten free and is therefore easier to digest than wheat based cereals.

Quinoa is a nutritional wonder that has a naturally high level of protein and was a staple food of the ancient Incas and Aztecs. It is also known to have one of the best sources of high biological complete protein in the plant kingdom that is exceptionally well suited to human nutritional needs.

Start your family's day with ORGRAN MultiGrain O's.
