

Crazy Jack Golden Syrup

>>NOW Fairtrade Certified

Crazy Jack Organic Fairtrade Golden Syrup is produced from sugars coming from a Fairtrade cooperative in Paraguay. The producers have limited resources and we have to take extra care in cleaning and preparing the sugar to make our syrup. Crazy Jack Organic Golden Syrup uses a traditional recipe, a fantastic product, perfect for baking and everyday cooking.

Why make the effort to buy Fairtrade certified products when there are cheaper and easier options around? Well, the extra effort means that the farmers and workers who produce our syrup have an outlet for their sugar and an opportunity to earn income and invest in their own future. Working with them to improve their facilities is an investment for them and security and independence for their families.

A trusted brand and another trusted product from Crazy Jack Organic.
