

## Essential Fibre Crispbread

Healthy lifestyle includes exercise, positive thinking and nourishment from foods made with natural ingredients containing **essential fibre**. That's why our nutritionists have created a great range of high fibre foods that will help you cook up some exciting new taste sensations.

Orgran Essential Fibre Crispbread is loaded with the goodness of complex carbohydrates combined with excellent dietary fibre value that will help to achieve the dietary needs of today. Made with natural gluten free ingredients with the added benefit of psyllium for an extra dietary fibre boost.

Orgran Essential Fibre Crispbread is light and crunchy and offers an outstanding 19% dietary fibre content that is functional as well as beneficial for better health and well being.

It is the ideal alternative to bread or heavier type crackers and has less than 0.4g fat per serving.
