

## **Community Foods Ltd. Community Affairs Policy**

Community Foods Ltd is an importer, distributor and packer of ambient stable foodstuffs, the vast majority of products traded are not grown in the United Kingdom.

Within the scope of the company's operations, the directors and management recognise their responsibility and engagement with the needs of the local community and to the wider social network.

We aim to meet these responsibilities as follows:

- To have a mechanism that allows regular donations for charitable giving
- To ensure donations are made on a regular and consistent basis to allow recipient charities to have some security of donation incomes
- To operate a notice period for charities that have received more than three consecutive donations should donations to those charities change
- To have regular review of charitable donations and disclosure of activities so that the pressing needs of charities can be addressed.

This policy will be pursued by senior management and made available to all interested parties.
